youCTF Planning Document 2026

Last Updated: January 12, 2026

I don't know why you guys are panicking and creating challenges last minute.
I asked for challenges months ago
and had a clearly communicated date announced to the lab.
I even shared a document with all the details.
Look, I'll send the document to you again.
Please read it carefully this time, I literally attached the flag.
Stop making excuses.
